Devils Lake, ND 58301

(701)662-1492 or (800)443-1313

Julie.Traynor@lrsc.edu

The demand for qualified, safe and effective nurses is critical throughout North Dakota—most visibly in rural areas. That need led to the creation of the Dakota Nursing Program, whose mission and vision is to provide a high quality nursing educational program through the collaborative efforts of four state colleges. We are educating more than 200 future practical nurses and associate degree nurses (two-year registered nurses) each year at the four colleges who work together within the Dakota Nursing Program.

The Dakota Nursing Program is currently offered in fifteen locations across North Dakota, which provides easier access for students. Courses are delivered in a combination of face to face lab and clinical courses with theory courses over Interactive Video Network (IVN) and online formats.

WHY CHOOSE A CAREER IN NURSING?

1. Make a Real Difference Helping People
2. A Job in High Demand with High Job Satisfaction
3. Nurses Gain a Competitive Salary
4. Room to Grow Professionally
5. Nurses May Qualify for Student Loan Forgiveness Plans

WHY ATTEND THE DAKOTA NURSING PROGRAM?

1. Become an LPN in one year or an RN in two years
2. Lower tuition and fees than a four-year college
3. Fifteen locations across ND provide an easier commute
4. LPN and RN NCLEX pass rates are higher than the national average
5. After graduation, transfer to an RN to BSN program and earn an RN salary as you learn

Dakota Nursing Program is also offered at the following sites

Bismarck State College at:

Ashley
Garrison
Harvey
Hazen
Hettinger

Dakota College at Bottineau at:

Minot
Rugby
Valley City
